

REMARKS

Claim 1 has been amended to include SEQ ID numbers which were inadvertently omitted from applicant's Supplementary Response dated March 11, 2004. No new matter has been added. Hence, as the Examiner graciously acknowledged in the Office Communication mailed May 21, 2004, no substitute CRF or paper copy of the sequence listing need be submitted.

In the unlikely event that the transmittal letter is separated from this document and the Patent Office determines that an extension and/or other relief is required, applicant petitions for any required relief including extensions of time and authorizes the Commissioner to charge the cost of such petitions and/or other fees due in connection with the filing of this document to Deposit Account No. 03-1952 referencing docket no. 220002054822. However, the Commissioner is not authorized to charge the cost of the issue fee to the Deposit Account.

Respectfully submitted,

Dated: June 16, 2004

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

This application contains sequence disclosures that are encompassed by the definitions for nucleotide and/or amino acid sequences set forth in 37 CFR 1.821(a)(1) and (a)(2). However, this application fails to comply with the requirements of 37 CFR 1.821 through 1.825 for the reason(s) set forth below or on the attached Notice To Comply With Requirements For Patent Applications Containing Nucleotide Sequence And/Or Amino Acid Sequence Disclosures. The application fails to comply with at least 37 CFR 1.181(d). The claims submitted 3/15/04 recite amino acid sequences without accompanying sequence identifiers. Applicant should review the entire specification including drawings and claims to ensure that the application fully complies with the sequence rules. If, to comply with the sequence rules, applicant has only to provide unidentified sequences with sequence identifiers of record, then no substitute CRF or paper copy of the sequence listing need be submitted.

Applicant is given ONE MONTH, or THIRTY DAYS, whichever is longer, from the mailing date of this letter within which to comply with the sequence rules, 37 CFR 1.821 - 1.825. Failure to comply with these requirements will result in ABANDONMENT of the application under 37 CFR 1.821(g). Extensions of time may be obtained by filing a petition accompanied by the extension fee under the provisions of 37 CFR 1.136(a). In no case may an applicant extend the period for reply beyond the SIX MONTH statutory period. Direct the reply to the undersigned. Applicant is requested to return a copy of the attached Notice to Comply with the reply.
